Who can become a CK Funded affiliate?

Anyone with a significant online presence, such as social media influencers or bloggers, can apply to become a CK Funded affiliate.

Do I need separate affiliate links or profiles to promote different assets?

No, you do not need a separate affiliate link or profile to promote different assets. You can use the **same referral link** and **affiliate profile** to promote both **CFD** and **Futures** assets seamlessly.

How quickly can I start earning commissions?

Once your affiliate application is approved and you get your unique link, you can start earning commissions right away. Please note that as an Affiliate, you'll need to have a **minimum of \$100** to withdraw your earnings.

How are commissions paid?

Commissions are disbursed upon request, subject to review and approval by FundedNext Partner Success Team. To initiate a payout, kindly submit an email request to **affiliates@ckfunded.com** **once the minimum withdrawal amount of \$100 is reached**.

Please note, that commission withdrawal timelines are based on your affiliate tier.

How will I receive my commission from the Refer & Earn program?

Your commission will be available for withdrawal directly from your **CK Funded Refer & Earn dashboard**. The

supported payout method is **USDT (TRC20) at the first Friday of new month.**
